

# Important 2018 Summer Dates

Only room 4 & 5 children will go on fieldtrips. No siblings will be allowed, and we always need chaperones. Bus space is limited so if you are chaperoning we ask that you please meet us at the designated fieldtrip with your child. This does not apply to the Children's Discovery Museum since we will be on light rail. Please feel free to see Ms. Char if you have any questions or concerns regarding the summer program.

## Room 4 & 5 Families

We are sending out the summer permission slips now. You may sign all permission slips and write one check for all summer field trips. Or I will send out individual permission slips as we approach each trip. Due dates are written on the permissions slips. However, we will happily take them early. Please note that permission slips will only be accepted with fees.

***Please sign up to chaperone. Your child's first field trip we HIGHLY encourage you to chaperone.***

### ***This is for a few reasons.***

- 1: This will reassure you - you will see how we organize and coordinate a fieldtrip.
- 2: We can get to know how your child reacts to being out of a school setting.

**Additional notes:** If we do not have an enough chaperone we will cancel our fieldtrip. The safety of our children is number 1 priority. Without parent volunteers' fieldtrips would not be possible.

Thank you!  
Hugs,  
Ms. Char
